Summary of reasons for decision:

The DVD was submitted to the Classification Office under s13(1)(c) of the Films, Videos, and Publications Classification Act 1993. The DVD is a compilation of nine short films made by students to be shown at a public screening of the Newlands College "NOSCARS 2012" film festival. The short films deal with a wide variety of themes and subject matter, with several of the short films containing brief depictions of violence and horror.

The DVD's unrestricted availability is unlikely to be injurious to the public good but its content makes it more suitable for mature audiences.

The unrestricted classification of this publication does not limit the right to freedom of expression outlined under s14 of the New Zealand Bill of Rights Act 1990.
